

Riverside Scientific Upgrade Form

Upgrades for Seasons, Winds, Cyclones (Storm Systems) and New Moon are from Version 1 to Version 2 for both Windows and Mac OS X PCs. Clouds upgrade is for Windows only and provides compatibility with Windows 2000/XP.

You will be shipped a single CD holding the upgrades you order. If you have any questions or need to know your purchase date, contact us at sales@riversci.com; be sure to include your installation key code. Standard shipping is free for USA customers.
